To All Saint John's Health Center Patients:

Thank you for making Saint John's Health Center (SJHC) your hospital of choice. We would like to provide you with information regarding the billing process for services rendered. All prices quoted by SJHC are for HOSPITAL facility charges only. Depending on the services that you were provided, you may also receive bills for professional services rendered by hospital contracted Radiologists, Pathologists, Anesthesiologists, Emergency Room Physicians, or others. These providers may or may not be contracted with your insurance carrier(s).

If you are a Medicare participant, it may be determined that your hospital services are outpatient charges, and will be billed to Medicare Part B.

Please note that aside from co-pays, other charges may apply depending on your insurance coverage.

For all billing inquiries, as well as providing your insurance information (if you do not have it at the time of service), please contact the following:
